

ELL Parent and Family Supplemental Resources

Communication Tools

1. Have a roster of working numbers and emails for all students
2. Sign students up for Remind 101 or Talking Points
3. Make sure students know how to check school email and use a consistent online platform for virtual meetings

Digital Tools to Overcome a Language Barrier

Tool (click for usage guides)	Description	Ideas for Virtual Implementation
 Microsoft Translator	Website and app to translate text, voice, conversations, camera photos and screenshots. Integrated with the Microsoft Suite.	Teachers can caption live presentations in students' home language. Speech translation in real-time for parent conferences or to communicate with students.
 Google Translate	Website, app, and extension to translate text, voice, print, and screenshots. Integrated with Google Apps	Using the camera feature, students can translate print text instantly. Copy and paste text to translate in order to communicate with parents and students.
 Read&Write for Google	App and extension toolbar with text-to-speech, annotation, picture dictionaries, and bilingual dictionaries.	Students can choose from multiple features to use to better understand a text. Students can use this tool with google docs, websites, and pdfs.

[McDonald's:](#)

Beginning March 17, 2020, and ending March 27, 2020, [all McDonald's Restaurants in Mecklenburg County] will be offering: Students 12 years old and under the choice of a FREE Plain Cheeseburger, Plain Hamburger, or 4-PC McNugget and a Small Fry. Monday-Friday between the hours of 11 AM-2 PM. With the current conditions in mind, they ask that parents utilize the Drive-Thru option to order these meals. Students must be present and parents will need to let the cashier know that they are a Charlotte-Mecklenburg County student. This offer will be valid at all of McDonald's Restaurants in Mecklenburg County.
